

CQ Public Affairs Collection

Clarity...Authority...Context for Today's Vital Debates

“. . .treats 20 major public policy areas in considerable detail and with in-depth research. . .”

— NetConnect (Fall 2002)

CQ Public Affairs Collection integrates overviews and analysis with primary sources, case summaries, legislative information, and statistics, providing a comprehensive reference and resource on important policies, issues, and debates in America today. Clearly organized into 22 main topics with hundreds of subtopics, the *CQ Public Affairs Collection* weaves together original content to illuminate the ins, outs, and complexities of issues concerning health and social services, the environment, national security - And much more. Providing a solid foundation for research in any liberal arts program, the *CQ Public Affairs Collection* gives context to build understanding.

Ideal for researchers and students of public affairs and public policy, social work, government, political science, journalism, and communications, the *CQ Public Affairs Collection* is also an essential one-stop source for lobbyists, government and non-profit policy organizations, and informed citizens everywhere.

Authoritative Information

Fully integrated to provide well-rounded understanding of the political, social, and economic issues that face American society and government.

In-depth background and context for every issue, with new information added each week.

Full text or excerpts of key speeches, testimony, reports, and more.

Summaries of key Supreme Court cases and legislation.

Encyclopedia entries for important terms, concepts, and milestones.

Cross-Links to related documents within the *Collection* for enhanced understanding.

A *CQ Press* selection of vetted additional CQ materials, well-respected outside sources, and useful material on the Web in “**Further Reading**,” “**Bibliographies**,” and “**Web Links**.”

Verified contact information for key government, non-profit, and private organizations.

Valuable Features

A “**Chronology**” beginning with the 20th century provides meaningful perspective and ready access to related documents.

“**CiteNow!**™” generates bibliographic entries in your choice of four leading styles with one click.

“**Hot Topics**” provides a shortcut to documents on the most hotly debated current issues. Sort in many ways to zero in on the documents users need.

“**Your Profile**” lets users create their own profiles. Mark and save up to 25 “**Favorite Documents**” and searches for convenient recall. Track results in “**Document History**,” a compilation of the last fifteen documents visited.

“**Document Outline**” helps users identify the specific part of a record they need to see.

An “**Image Gallery**” of photos and portraits, organized by topic.
